Thanks to you who braved the nasty driving conditions to attend our match. And thanks for putting up with me...as long as I have lived with diabetes it still surprises me at times and this was one of those times!

This match, 1st place(s) was shared by 3 different shooters; in the 1200 it was Mike Stumbo (hmmm we have heard that name before); in the 900 conventional it was Ted Dishner and in the 300 centerfire it was John Chamberlain. Great job all three of you!!!

Please take note of the centerfire match!! A three way tie on score; then a 2 way tie on tie breakers; so on to 10 count (I think that is the way it is done) to finally settle it with John Chamberlain coming out on top. Its a good thing I took the targets home with me because I did go back and check them to break the tie(s). And just to prove a point, the edge of competition doesn't have to be between the first place winners... the 1 point advantage to Glen Frair over Karen Lesniak, in the conventional match, drew some attention!

Welcome to new competitor Rick Cogins. I hope you had a good time Rick, we enjoyed having you.

I hope to see you all at the sectional on March 27. No pressure but remember you are competing with everyone in the country :).

Also a reminder about the Maine State Championship on April 10 and the Centerfire Challenge - benefit for the junior club; that is on April 17.

I also want to squeeze in a reminder here to get your reservations in for the Sectional, Maine State Championship and the Centerfire challenge. I have seen a lot of interest so please confirm. Some of you have emailed me but I hadn't started the list yet so to make sure just remind me....Thank you!
