Well, there you have it...another sectional in the record books. For those of you new to sectional competition, the NRA publishes a results book with all the entries throughout the country. As soon as the sectionals are completed and given time to compile the results, you will be getting those results directly from the NRA. And a quick note about the "90 shot rapid" column...it's sort of an "acid test" report of the 3 rapid fire scores.

Congratulations to the winners of their respective overall; class; category and special categories...In my opinion, you are all winners and I thank you for attending.

Now to the match hilights and special mentions:

A great job by Larry Carter for first overall; 1st in class; 1st civilian and 1st senior

Welcome to new shooter, Karenina Cooper. She is one of Mark Daigle's regular attendees in the social, Thursday evening group. Welcome Karen...I hope you yourself!

enjoyed

Check out the scores between Mike McEwen; Gary Wasileski; Mark Daigle; and Gene Sagerman! 4 competitors - 4 point spread!!!

And the battle royale between Karen L. and Glenn F. continues with Glenn 5 points ahead for this match! Hmmm i wonder if i should keep track for the season

Many thanks to Larry Carter for the donation of a brick of ammunition for the match! We put all the names in a box and picked Jeff Truman's name...Congrats Jeff! and thanks to Larry Carter for supplying the timer to the bullseye program.

Thanks again to everyone and hope to see you all at the Maine State Championship (April 10) and please remember to pass it on about the Centerfire Challenge benefit match on April 17.
