first Camp Perry Match

Thanks to everyone for a well attended and great match! Congratulations to Ken Saunders for his 872 35x score to become the Maine State Champion for 2011. Well done Ken!

This must be the year for one point differences in scores:

- Ted Dishner over Mark Daigle by one point
- Mike McEwen over Gary Wasileski by one point
- Bob Brown over Scott Laverdiere by one point
- Dan Dishner over Bob Renton by one point

And, I feel it is incumbent upon me to keep thowing gas on the fire on the competition between Karen Lesniak and Glenn Friar. Glenn Beat Karen handily in the State Championship **BUT** Karen did beat Glenn in the Camp Perry Match...**So there!!**

We have grown in attendance by leaps and bounds this year . It is great to see the program with a full 2 relays. I want to give a big thank you to Mark Daigle for coming early and leaving late to help with set up and clean up...Thanks Mark and to all of you who helped with cleaning up the range after the match.

And a big thank you to Larry Carter for supplying the timer for the matches and for his generous donation of ammunition for the Sectional and for this match...Thank you Larry!!

Bert Hayford  
Match Director
