(Chuck Kellogg shot only one target.)												
Robert Robertson was first Plinker (non-sanctioned)												
Wind varied between 10 and 20 mph, gusting to 30, swirly and switchy; temp about 60*. It was a rimfire benchrest shooters' nig												
Note that I mistakenly printed out an older form and being the first match of the year, I forgot to put in "first misses" until finding a												
*John Hassam did especially well on that target, considering his relative newness to the game and the conditions, so we gave him
